

SHOTTON TOWN COUNCIL SOCIAL MEDIA AND COMMUNICATIONS POLICY

1. Introduction

1.1 Failure to follow the Town Council's Media and Communications Policy could lead to a breach of the statutory Code of Conduct and the risk of adverse publicity. This could damage the Council's reputation. It is important that all Councillors and officers understand the implications of the Code within the local context.

1.2 This policy should be read in conjunction with the Members Code of Conduct.

2. Approach to publicity

2.1 Shotton Town Council welcomes enquiries from the press and media, and recognises that a good relationship with the press helps it to communicate effectively with residents.

2.2 Shotton Town Council recognises that taking a proactive approach to communication ensures information is made available to residents in a timely manner, and is accessible via as many media sources as possible including social media platforms.

2.3 Wherever possible, unless confidentiality is an issue, supporting documents for all agenda items of Council meetings will be published on the website prior to meeting.

3. Principles of communication

3.1 Shotton Town Council will ensure any publicity:

- is lawful
- is cost effective
- is objective
- is even-handed
- is appropriate
- has regard to equality and diversity
- is issued with care during periods of heightened sensitivity

4 Official Council press releases

4.1 Shotton Town Council recognises that the use of press releases is a key technique for publicising Council activities, decisions and achievements.

4.2 An official Council press release is made on behalf of the Council as a whole. In certain

circumstances, it may be appropriate for a Councillor (normally the Chairman, Vice Chairman or committee Chairman) to draft the press release, but the Town Clerk will be responsible for checking and subsequently issuing any official Council press release.

4.3 All press releases will accurately reflect the corporate view of the Council, contain relevant facts and may include an approved quotation from an appropriate Councillor. Releases will not promote the views of any political group, publicise the activities of individual Councillors, identify a Councillor's political party or persuade the general public to hold a particular view.

4.4 Press releases will be issued to local newspapers and copies will be made available on the Council's website. An edited version may be made available via the Council's social media platforms, with a link to the full story available.

5. Requests for interviews

5.1 Any request for an interview with a Councillor or Officer should be referred to the Town Clerk in the first instance. The Town Clerk, in liaison with the Council Chairman, will determine the most appropriate Councillor or officer to be put forward for interview.

5.2 Where a Councillor is authorised to speak on behalf of the Council, it is their responsibility to ensure they are clear on the corporate position of the Council, and that their responses to questions accurately reflect this.

5.3 Where an officer is authorised to speak on behalf of the Council, they must never give their opinion on specific Council policy and must remember their role is to provide expertise and factual knowledge in support of the Council's agreed policies.

5.4 If a Councillor has not been specifically authorised by the Council to speak to the media on a particular issue, a Councillor who is asked for a comment should make it clear that it is a personal view and ask that it be clearly reported as such.

6. Publicity during elections

6.1 There are specific rules governing publicity when an election has been announced. In the period between the notice of an election and the election itself (purdah), all publicity about candidates is halted.

6.2 During this purdah period, all Council publicity shall be managed by the Town Clerk, and any quotes provided in support of press releases will be given by authorised officers.

7. Social media

7.1 Shotton Town Council recognises that for some residents, accessing information via social media platforms is their preferred method. While there are too many social sites to include all of them, the Council will endeavour to use those which are most widely used, and regularly review the type and number of social media sites used.

7.2 Social media sites will be used to support other communications issued by the Council, and will help provide a consistent message across all media formats. To help achieve this, all social media releases will be released by the Parish Clerk or other authorised officers.

7.3 Where officers use social media in a professional capacity to represent the Town Council, the Town Council's corporate identity will be used and not that of any individual officer.

7.4 Officers using social media in this way must respect copyright, data protection, freedom of information and other laws, and be aware of the risks of action for defamation. Officers must not use insulting, offensive or racist language or engage in any conduct that would not be acceptable in the workplace or elsewhere.

8. General guidance for Councillors and Officers

8.1 Councillors and officers must ensure they do not disclose information that is of a confidential nature. This includes any discussion with the press or other media on any matter which has been discussed under confidential items on Council or Committee agendas or at any other private briefing.

8.2 Councillors and officers should act with integrity at all times when representing or acting on behalf of the Council.

8.3 Any Councillor failing to follow the guidance set out in this policy may find themselves in breach of the Members' Code of Conduct and subject to a complaint to the Monitoring Officer.

8.4 You are advised to ensure that all intended public communication on Council matters is first reviewed for accuracy by the Parish Clerk and for information purposes.
